Summary

Enthusiastic and motivated fresher seeking an opportunity to begin my professional career in a growth-oriented organization where I can learn, contribute, and gain real-world experience. Passionate about front-end development, responsive design, problem-solving, and continuous learning, eager to build a strong career in the tech industry.

Education

Sri Shanmugha College of Engineering and Technology
Bachelor of Engineering (B.E) – Computer Science and Engineering

2023 – 2027
CGPA: 8.3

PSG Matric Hr. Sec. School
Higher Secondary Certificate

2022 – 2023
89.5%

Experience

- Completed 3-month QSpiders Web Development training (Feb – April 2025), mastering HTML, CSS, JavaScript, and Java through hands-on front-end development projects.
- Developed 3+ responsive front-end web applications using HTML, CSS, and JavaScript with cross-browser compatibility across all devices.
- Utilized Git and GitHub for version control and project deployment across all personal projects.

Projects

Portfolio Website | *HTML, CSS, JavaScript*

- Built and deployed a fully responsive personal portfolio showcasing 3 projects and technical skills.
- Implemented modern UI design with CSS animations, smooth scrolling, and hover effects for improved user experience.
- Ensured cross-device compatibility and optimized page loading performance using semantic HTML5.
- GitHub: [kalai0001.github.io/Portfolio-Website](https://github.com/kalai0001/Portfolio-Website)

Travel Website | *HTML, CSS, JavaScript*

- Built a fully responsive travel website with mobile-first design achieving 100% responsiveness across screen sizes.
- Structured adaptive page layouts using Flexbox and CSS Grid for consistent cross-browser compatibility.
- Added dynamic content loading using JavaScript to enhance interactivity and improve user experience.
- GitHub: [kalai0001.github.io/travel-website](https://github.com/kalai0001/travel-website)

Technical Skills

Programming Languages: C, Java

Web Technologies: HTML, CSS, JavaScript

Tools & Platforms: GitHub, VS Code

Soft Skills: Problem Solving, Quick Learner, Communication, Leadership
